

VISION:

An organization recognized as the national leader in advocating entrepreneurship education as a lifelong learning process.

MISSION:

The Consortium Champions Entrepreneurship Education and Provides Advocacy, Leadership, Networking, Technical Assistance, and Resources nationally across all levels and disciplines of education, promoting Quality Practices and Programs.

CORE VALUES

Over the past 25+ years the Consortium has developed the following core values that support its vision and mission.

- **Entrepreneurs are not “born”...they “become” through the experiences of their lives.**
- **Entrepreneurship education is a lifelong learning process that involves all levels of education and training.**
- **Entrepreneurs have a great diversity of personal strengths, talents and resources and are willing to take risks.**
- **Anyone can be an entrepreneur at any time in one’s life.**
- **Entrepreneurship is best learned through a variety of educational and real-life experiences.**
- **Entrepreneurship education provides rich opportunities for developing academic skills.**
- **Entrepreneurs are found in every occupation and career.**
- **The Consortium believes in supporting ethical and legal entrepreneurship.**
- **Entrepreneurship education opportunities are important at all levels of education.**
- **It is important to provide resources and professional development opportunities to enhance the ability of all educators to deliver quality entrepreneurship programs.**
- **It is vital to partner with organizations and groups with diverse goals that have interests and desires that contribute to the advancement of entrepreneurship education.**
- **The Consortium focuses on enhancing the resources of its members and avoids providing products and services that compete with its member groups.**
- **The Consortium’s role is to provide leadership and advocacy for entrepreneurship as a lifelong learning process.**
