

# CREATIVE STRATEGIES for INNOVATION

Building Your Creativity Toolkit: Think bigger, faster, better...

**FBI...**  
Focus on  
Building  
Imagination

"Walk-the-Walk" to Think Creatively

The Classroom = Creativity Incubator

Teachers as Facilitators and Learners

Creativity = Better Business Ideas

Alternative, Relevant Assessments

**Nuts & Bolts of  
Creative Thought**

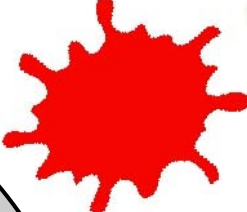

**National Standards-  
Based**

**Roadmap to  
Thinking**

**Problem-based Learning**

**Networking with Purpose**

Join your Colleagues for the **Annual Think Tank Meeting**, Saturday November 13, just prior to the conference 10:30 AM - 2:30 PM Hyatt on Capitol Square. Sign up on the conference registration form. \$25 covers all materials and a working lunch. Teachers, ask to be pre-approved in your state for Continuing Education Credits; we will document your participation through a certificate you can submit following the conference.
